# EV Insurance, International Practices for New Energy Vehicles

11 November 2025  
Tuesday

1:00 - 2:15PM AEST  
10:00 - 11:15AM MYT  
Microsoft Teams

## Synopsis

The objectives are to build understanding of EV risks for insurance companies, share global experience in pricing, risk management, and operating models for EVs, and provide recommendations for the Malaysian market.

## Key Takeaway

Key contents will cover EV Insurance and International Best Practices, focusing on the evolution of the new energy vehicle industry in other markets, associated risks for the insurance sector, insurance product innovation and service integration, and global pricing experience.

## Target Audience

Members

## ABOUT ANZIIF

**ANZIIF**

Established in 1884, ANZIIF works with members in 50 countries and has offices in Australia, New Zealand and China.

ANZIIF's mission is to lead and engage industry through education and the promotion of professional standards, enabling members to achieve their career and corporate aspirations. ANZIIF is dedicated to helping businesses, governments and organisations in the insurance and finance industry to fulfill their potential and that of their staff.

## ABOUT THE SPEAKER ANTHONY BAKER

Anthony Baker is a motor insurance expert with over 25 years of experience in APAC Region. He was Chief Technical Officer – Allianz Partners APAC until 2023. He joined Allianz from 2007 and worked in Australia, Singapore and China. He managed the profitability, strategy and underwriting for Allianz commercial vehicle MGA in Australia. Before joining Allianz, he has taken several key roles in multiple insurance areas and served for various insurance and brokerage companies including Marsh, Royal & Sun Alliance, Australia.
